Sometimes, when you think

it's a good idea to take
a walk & get away
from all the concrete (trees)
But now, from all that
moving, so too moveeth my
cowels & I wish I
hadn't gone so far.

I'm writing this at 6:36 AM
my coffee is a little sloppy
I'm sitting thinking how
peaceful it is, as well as
watching a rabbit eat
clovers. As I watch
this rabbit I envy him.
I envy how simple and
peaceful his life is...

No meeting others expectations,
no war and many other
thoughts.

Clouds are pretty

6/19/08 10:25 am.

the sky is so clear and desolate. the only resolution to my problems is volunteering. helping someone when I can't help myself is ironic but its all that I have.

I really hate the sun's heat on my back. how can anyone stand this crap?

6/19/2008 - 3:30 ish

I like anonymity. makes me almost completely un-self-conscious. wait no. I can think of a lot of exceptions... I guess even if no one else is able to decree their judgements upon you... you're still able to fill in the blanks.

_____ is _____,
_____!

could you...

... you...

... you...

... you...

... you...

... you...

... you...

... you...

... you...

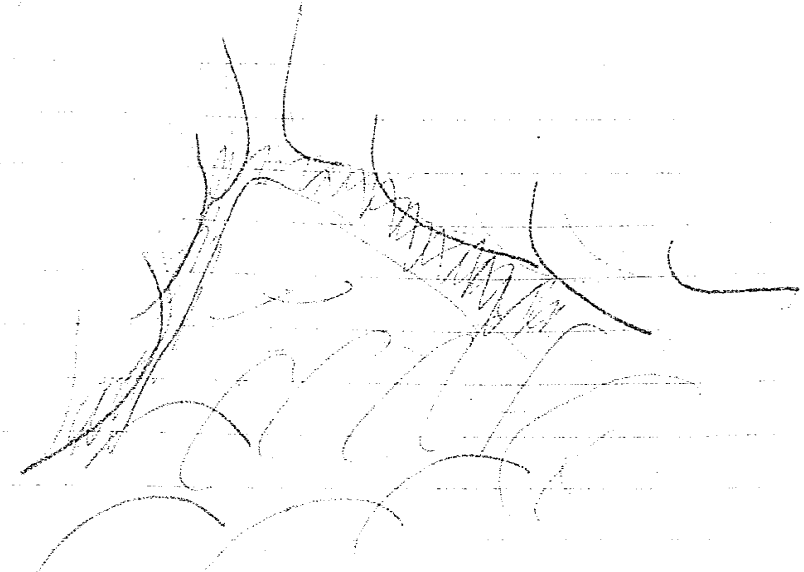

... you...

... you...

The world is on my mind. And somehow by reading the thoughts of others I can't find the words to say it. I had problems when I came here, but now I don't. It's like I just got it. Life that is. And now my problems are too small to even write.

I'm in love. I know it now. Every time I see her I can't help but smile. She was mine for a while, but I needed to be "free". Now, the only freedom I want, is to be hers. This is not Adolescent Infatuation, not anymore. But now we are friends, and I feel that if I ask for more, even that could be ruined. So for now I'll wait. The summer is full of coincidence. Maybe mine could be love.

I VOW to stop trying to understand LOVE!
EVEN THE STRONGEST OF HEARTS IS HELD
CAPTIVE BECAUSE OF ONE UNATTAINABLE LOVE.
ITS DEF. NOT A FEELING AS SOME SAY ITS MORE
OF A YEARNING TO BE UNDERSTOOD EVEN WHEN
NO ONE IS WATCHING. I HAD THE LOVE ONCE
BUT ALAS IT FELL APART, BUT THE YEARNING NEVER
CEASED. CAN SHE SEE PAST MY SMILE AND KNOW THAT
SHE IS ALL I THINK ABOUT? I ALWAYS WAS TRANSPERANT
TO HER. SHE COULD READ ME LIKE YOU READ THIS
BOOK. THERE WAS ALWAYS THE QUESTION OF
"WHAT NOW?" WHEN WE WERE TOGETHER, NOW
BEING APART, THE QUESTION HAS CHANGED TO "WHAT
IF?" OF ALL THINGS THAT PASS US BY, DON'T
LET LOVE PASS, AS I DID. AS WITH ALL THINGS...
LEAVE IT TO THE MASTER POTTER.

"Dear, Fair, Dear old Mother"

I don't really know how old I am, but I'm
 sure I'm young. Especially I feel I'm
 still at that age, but it feels like everyone
 else has grown up. I'm happy to be old.
 All I know is I want to do something big.
 I not only want to be inspired, I want to
 inspire people. I really love being inspired.

~~I~~ Summer bridge is ending, and I
 can't help but be a little sad to see
 it actually I feel like I'm
 I hope I'll soon see who I am.

~ Jack

I am I know, but all the same. This may
 not even be the first time I've ever
 lived like I am happy for all that has
 happened. & here it is for the sake of
 others, I would not be here. It's time
 to start the rest of my life and I'm
 going to embrace it. I'm quiet by nature
 and I just share my feelings often.
 It seems odd to share so much so
 quickly with things. I haven't even told
 my best friend. Someone is always there
 to listen. I share my dreams, my
 fears, my hopes, and my ~~thoughts~~
 with several people. It may not
 seem like much but I love it
 and I'm still going.  
 Be a student of life & nature.
 Listening and always learning.

So I'm back at home for today
 a grey shower winded
 today is no last night
 I am glad. But I still
 decisions were made
 my grand grand for 4-10-03
 I also got I chat some one
 and thank much.

4:00 pm (Cooking a pork tender-
 loin, corn on the cob + pine-
 apple on a gas grill at the
 end of the bench.)

There are very few things
 in life as rewarding as
 taking a nap on a shaded
 park bench on a hot day.
 Though the growl of the
 buses and the blaring horns
 (from the all too frequent
 car alarms) tend to disrupt
 the peace, you can still
 exist in that space between
 consciousness + un-consciousness.

... who really ...
and wants ...

7/24/08

I've noticed that many people write about
me. I graduated from UMBBC
~~at~~ a couple years ago, and haven't
found love. I go to law school,
and guys hate it. I wish there was
somebody to tell me what is the right
way to live life. Everybody told me
that if I went to college, was a
nice and smart girl, I would
never have a problem in life.
Now I'm in law school and
so lonely. I know that I am
fairly attractive and all-around,
somebody a guy would want,
but the main issue is to figure
out life. It's not all about
love or school, it's more about
the journey, and figuring out
what you want without the
influence of another

I hope the best
for all

Yay Class of '07. GRC

Cool. The last time
I came here the
rock was nearly full, now
it's a new one, just starting.

People write about love a lot,
but I've never been that
type — tho I am planning on
getting married to Chris
and all after we graduate.
People write about fear,
and loneliness, and sex. These
big human motivators, you know.

I just love coming here
amidst the oaks and the
stones. I've danced off
in the evenings to
the music in my head
or my pod. There's a
kind of potential magic
here.

I love you

I Love You

I like to think about
the people here @
5:30 in the morning, or
2 at night, or whatever.

It's a hot sunny day with a
breeze to cool things
off. I'm listening to the
rustle of the leaves &
birdsong, watching the

patterns of light and
shadow shift from
the windy trees. It's
beautiful. That's what

I like to come here for.

(Though a picnic or a
steamy midnight makeout
session with my beloved
isn't out of the question
latter.)
